

DAV SPORTS NEWS

Dear Zonal Coordinator

Subject : List of Cluster In-charges and Cluster schools

We appreciate your dedication towards a helpful environment & excellence for promoting sports activities in DAV institutions during these years.

To maintain effective coordination & communication for the successful execution of sports activities in the clusters/ Zones, I am reaching out to provide you with updated information on the cluster In-charges responsible for overseeing DAV Sports in the respective cluster(s).

The list of cluster In-charges and their associated schools for DAV sports has been mailed and can also be viewed on website i.e. davsports.in

It is understood that there must have been prepared team(s) for DAV sports by cluster schools, if not, they should start preparing well rounded team(s) for cluster(s) school(s).

Should you have any questions, pl feel free to contact this office.

Kind Regards

Dr V Singh

Director (PS) &

Convener-DAV Sports
