

Dear Principal (In-charges DAV Sports-National venues)

Consequent to the approval of the competent authority for permitting your school to host DAV Sports (National Level), I am writing to express my gratitude & appreciation for acknowledging the same. This is proof of the competency of your school in organizing sports of National significance with the utmost professionalism and with a reflection of the true spirit of sportsmanship.

In line with the organization of the event, it is expected from your school to handle all aspects, including the stay & transportation arrangements, with the highest level of ability for the overall success of the game(s)/event(s), allotted to your school.

You are advised to establish and maintain effective communication with the Zonal / State coordinators to obtain information regarding the participating teams from their Zones/States. This information, including the number of teams for both boys & girls under all categories and any other relevant details, can also be accessed through the DAV sports website i.e. davsports.in

On behalf of team DAV, I thank you for your dedication & commitment to upholding the values of DAV and promoting sports at the national level. The seamless coordination, excellent facilities, and overall commitment to ensuring a positive and competitive environment for the participants shall not only contribute to the success of the games but the efforts put forth by your school in organizing the prestigious DAV sports shall not go unnoticed.

We look forward to witnessing the success of DAV Sports (National Level) at your esteemed school/venues under your capable leadership.

Best regards

Dr V Singh
