Subject: Gratitude & Update on DAV National Games 2024

Dear Sir/Madam,

On behalf of the organizing committee of DAV Sports, I extend our heartfelt gratitude for your invaluable support in ensuring the smooth execution of DAV National Games'24, organized, w.e.f. 2nd to 4th December 2024.

This prestigious national-level event, which brought together approximately 20,000 athletes, coaches, and escorts from DAV institutions across 22 states, was conducted, parallelly at many national /international level(s) stadiums in the Delhi NCR region. I equally thank the escorts/coaches who accompanied students and looked after them during the 'to and from' journey and games as well.

Undoubtedly, the performance & behaviour of the students were exemplary at the playground. Each one of you associated with DAV sports, supported extensively too for managing inter-school games, Cluster-level games, state-level games, and National-level games apart from two other important events i.e. Run for DAV and International Yoga Day.

We are pleased to inform you that the results for all games and categories have been published on our official website (davsports.in). Should you identify any discrepancies, kindly notify us for needful correction. You may also view the results through the link (<https://davsports.in/dav-new/resultn 24.php>).

The position of each state has also been given therein. Haryana and Punjab stand on the top with equal scores but the state with the highest gold medals shall be ahead of the other.

The first five positions are as follows.

1. Haryana
2. Punjab
3. Jharkhand
4. Delhi
5. Uttar Pradesh

Additionally, each school, cluster in charge, and state coordinator can download certificates for winners, runners-up, and participants from the website portal to distribute further to the students.

We look forward to continued collaboration in promoting sports, empowering young athletes, and nurturing their growth into future champions.

Kind regards

Director (PS) &
Convener-**DAV Sports**
